

Me My Mask

My mask is special
It resembles me,
It reveals my personality,
It gives me strength.

My mask shows my emotions,
My feelings
My traits.

It is a symbol of courage, love and strength
It allows me to find out more about myself
And more about
Others.

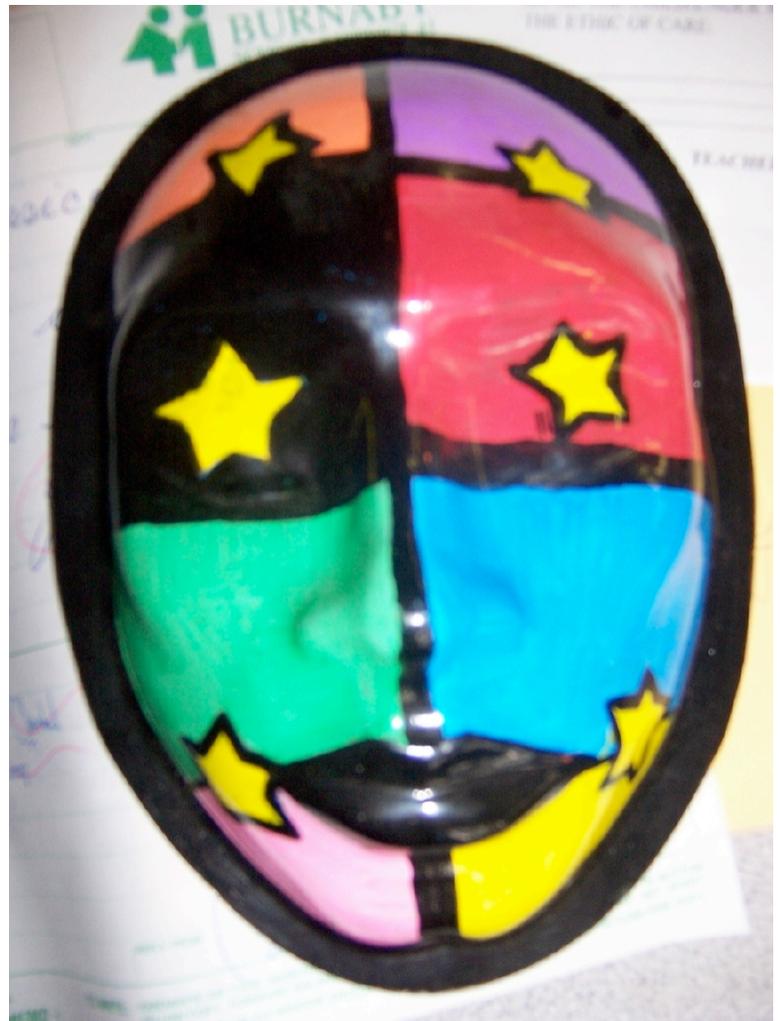

My mask has different parts to it
It shows you all that I
Am.
And all that I will be.

One part is colourful
It shows you my happy side
And my wild side.

Another part will be dark
This is for when I am sad
And how I feel when I am angry.

My mask will be decorated with tiny stars
Each hold memories
Throughout my childhood.

My mask reveals my personality
It shows you all that I
Am
And all that I will be.

My Mask

My mask round
With glistening of cracked stars
Surfing with the wind
Roaming in the galaxy

A closed eye with tears split in half
Coldness, loneliness, sorrow
In the empty immensity of earth, sky, and water
Lack of colours
Blankness over the face

A gazing eye as if...
It can see through everything
With just one glance
Over the mountains across the sea
Far into space with colour

A dove twirling on the cheek
And a broken heart attached
With a wolf howling to a half moon
A voice singing in my mind
Sparkles of flowers on my nose

Happy, sad, hope despair
All in one mask
Hidden within a face

Day after day
Year after year

My Secret Mask

Created from imagination,
Made from stars and sequins
So magical and realistic,
This is my mask.
Looking through the mournful black eyeholes,
Full of understanding
Gazing at the world,
This is my mask.
Listening to the clamour of students
With big black ears
So soft and sturdy
This is my mask.
Smelling bamboo from miles away,
Whiffing food in an instant
With a flare of its heart shaped nose,
This is my mask
Two curves for a mouth,
With a thin outline of black,
Opening and closing,
This is my mask.
Soft to the touch,
Black and white,
Fur,
This is my mask.

My love for pandas,
Makes me think,
Of family,
This is my mask.
Glasses, short, clumsy, independent,
Most of all peaceful,
Pandas,
This is my mask.
All around the world
Used in different places,
Halloween,
This is my mask.
Being most important,
Representing
Me.
This is my mask.
